It is my privilege to welcome you to the Mangalmay Group of Institutions.

The over decade and a half old, Mangalmay Group of Institutions, represents a diverse student profile with students drawn in from all parts of the country including Delhi NCR, U.P, J&K, H.P, Bihar, Jharkhand, Rajasthan, M.P, Assam, and North East.

In the backdrop of a technology driven and globally focused corporate scenario, the harmonization of the round peg with the round hole and the square peg with square hole is a priority not an option. To meet such a complex demand, we socialize our students through contemporary technological and business trends and practices. Accepting the fact that what is there today will be obsolete tomorrow, we focus on building an engineer's/manager's mind and abilities rather than merely focus on theoretical aspects.

May I then have the pleasure of inviting you to recruit from amongst our talented batch passing out in 2018, with our commitment that they will prove to be assets for your organization.

Best regards,

ATUL MANGAL
Chairman
